

# THE SON OF GOD

An Introduction to Who Is God & What Is God Like

## READ

• Hebrews 1:1-4

## RESPOND

Question 1. When you think about what Christ “says” to you through his life, death and resurrection, what words come to your heart and mind?

Question 2. In what ways is your life a reflection of Jesus?

Question 3. We often fear that when we fail, or “fall apart” that we are creating a distance between ourselves and God. Scripture teaches us that when we fall apart we “fall into God’s arms”. When do you need God’s support and bearing up the most?

Question 4. How can you “shine” brighter for Jesus in your life and in your relationships today.

Question 5. Every human being has been created to reflect the nature of God. We discover who we are when we discover who God is. How do you think that you reflect God throughout your life, your words and your actions?

## PRAY

Take the time to pray that God would place Jesus Christ on your mind this week in how you look at the world and react to it.

8 reasons about Jesus the Son,

Jesus is the heir of all things  
 Jesus is the son through whom God made the world  
 Jesus is the radiance of God’s glory  
 Jesus is the exact representation of God’s nature  
 Jesus upholds all things through the work of his power  
 Jesus has made purification for all sins  
 Jesus sat down at the right hand of God
