WHAT CAN I GIVE TO THE KINGDOM OF GOD?
BIBLE
Carey Theological College values the Holy Scriptures, Old and New Testaments, as the inspired foundation of our beliefs, our worship, and our discipleship. Carey is devoted to the study, interpretation, and proclamation of the Scriptures.

JESUS
Jesus Christ is the unique Son of God within the fellowship of the Father and the Holy Spirit. He alone is Redeemer, Savior, and Lord, worthy of all worship and trust. Carey Theological College is devoted to a personal relationship with Jesus Christ, both individually and as a learning community.

MISSION
The Great Commission is the announcement of God's saving grace in Christ, offered uniquely to all humankind. It is a call to discipleship and faithfulness of all Christ's followers. Mission is God's work as God invites us to participate. "Go, teach, baptize" are the watchwords to the Carey community.

CHURCH
The Church is the Body of Christ, gathered by the Holy Spirit for worship, service, fellowship, and witness. The Church is open to all who trust in Christ as Savior and Lord and desire to lead lives worthy of the Gospel. The Church and the College hear the overarching words of Jesus, "to love the Lord our God... and to love our neighbour as ourselves."

16 GIVE TO CAREY
Let us help you grow for ministry

As a former youth pastor in Canada, church planter in Belgium, and missionary in Eastern Africa, I have been able to experience first hand the need for strong Christian leadership in the church and in the world. It is a privilege to serve as the President of Carey Theological College, where for over 60 years, we have been empowering faithful Christian leaders for every generation, culture, and community. We do this by providing global theological education to pastors and ministry leaders and by discipling undergraduate students in our Christian residence at the University of British Columbia (UBC).

A combination of advanced internet technology and adult learning methods allow Carey Theological College to offer high-quality theological programs and ministry resources for the church. Our students (who can be found all over the world) are able to study with us while continuing to serve in their given ministry context. Our property on UBC’s Vancouver campus allows Carey Theological College to house and disciple future leaders at the largest university in Western Canada. Our residents can participate in our discipleship program, as well as live within a supportive Christian community.

Carey Theological College is an accredited institution of the Association of Theological Schools (ATS) in the United States and Canada, an associate member of the Asia Theological Association (ATA), an affiliated college of the University of British Columbia (UBC), and a ministry of the Canadian Baptists of Western Canada (CBWC). Carey is also a certified charity with the Canadian Council of Christian Charities (CCC).

In the first chapter of the Acts of the Apostles, Jesus assured his disciples that they would be empowered by the Holy Spirit to be witnesses to the ends of the earth. I invite you to look through this viewbook and consider how God calls you to bear witness in your own circumstances. I pray that the same Spirit that led the apostles, who leads us at Carey, would lead you to expect great things from God and attempt great things for God.

Blessings,

REV. DR. COLIN GODWIN
President

THE WORLD IS IN NEED OF CHRISTIANS WHO ARE WILLING TO TAKE RISKS AND TO BE PIONEERING LEADERS IN DIFFICULT PLACES

Since 1958, the need for strong Christian leadership in the church and in the world has only grown. Across various evangelical movements, around 20% of churches are without a pastor. North American studies have also found that 6 out of 10 church-going teens disengage from their faith after high school. However, Carey believes that God has not stopped calling people to follow him and serve him, and we at Carey want to make it possible for people to respond.

Our vision is to empower faithful Christian leaders for every generation, culture, and community.

We do this in two ways:

1. By providing theological education for pastors and ministry leaders in Canada and all over the world

2. By discipling young people at the University of British Columbia (UBC) in our Christian residence
WE WOULD LIKE TO INVITE YOU TO PARTNER WITH US IN EQUIPPING CHRISTIAN LEADERS FOR THE CHURCH AND GOD’S WORK IN THE WORLD THROUGH A GIFT TO CAREY.

When you give to Carey, you are giving towards our vision to provide theological education for pastors and ministry leaders around the world, and to disciple young people at UBC in our Christian residence. In the next two years, Carey is also working on a new 5-storey building to help further our ministry. Once completed, our residence will provide not only the additional dorm rooms that we need to expand our Christian discipleship of UBC students on campus, but also the financial resources to support scholarships and bursaries to train pastors and missionaries from around the world.
